Notification dated, 8th June 1949.

No. T. E. 1054—48-49.—According to Clause 7 of the Notification No. T. E. 605—48-49 dated 27th April 1949, it has been laid down that in case the retail cloth dealers fail to lift goods for two consecutive allotments, the licenses shall be liable for cancellation. It has since been brought to the notice of the undersigned, that some retail cloth dealers do not buy regular cloth quota but buy cloth under free sale from wholesale dealers after 27 days from the date of purchase authorities written in favour of wholesalers, and that they lift goods of regular allotment in alternate months, so as to keep their licenses current. The notification referred to above does not contemplate any such procedure to be adopted by retail cloth dealers and is, therefore, further amplified as under :—

Only those retail cloth dealers who lift the goods of regular allotments will be entitled to buy cloth at not exceeding 1,500 yards each, in addition to regular allotted quota under free sale allowed to wholesalers after 27 days from the dates of their respective purchase authorities. The benefit of purchase of cloth under free sale as above, is not allowed to retail cloth dealers who do not lift the goods of regular allotments in any month. In case, a retailer who does not lift the goods of regular allotment in any month within the time prescribed in the notification cited above, were to buy cloth under free sale from any wholesaler, the license of such retailer shall be liable for cancellation forthwith.

In order to have an effective check over the purchase of cloth by retail dealers (out of regular quota, *Ad-hoc* quota or out of lapsed quota from the wholesalers) and to enable wholesale cloth dealers as well as the Inspecting staff of the department to assess the correct position as regards purchases by the retailers in the light of the above instructions, the wholesale dealers are further directed to observe the following precautions while selling cloth to retailers.—

1. The retail cloth dealers are hereby requested to attach a separate sheet of paper to their licenses providing the following headings :—

Name of Wholesale dealer selling cloth and his address.	Nature of quota	Quantity sold	Cash or credit Bill No.	Date of sale	Signature of wholesale dealer
	1 Regular quota 2 *Ad-hoc* quota. 3 Lapsed quota. from which cloth has been sold.				

2. While selling cloth to the retail dealers the wholesale dealers should demand the license and the purchase slip attached to the license and pass necessary entries in the purchase slip in the columns provided. Under no circumstances should they fail to pass the entries after sale. Licenses produced without slips attached should be rejected. Failure to comply with the above instructions will entail the wholesale license being cancelled.

Further, the wholesale dealers should insist upon the retailers to show the cash or credit bill in support of their purchasing regular quota in order to sell *Ad-hoc* quota or lapsed quota to them from the date of this notification.

The wholesale dealers should obtain in writing on the reverse of their duplicate cash bill, from the concerned retailer that he has purchased his regular quota before the wholesale dealer could sell cloth out of *Ad-hoc* or lapsed quota.

The Inspecting staff of this department is hereby directed to vigilantly wateh such cases and submit reports to the undersigned through the Enforcement Officers having jurisdiction for cancellation of licenses of retailers or wholesale dealers who fail to adhere to any of the above conditions.
